NATURE PLAYGROUND UPDATE
Great news! Kim Beasley from Childscapes is in the process of drawing up plans for our nature playgrounds on the kindy and school sites.

The designs will include elevations and 3D images and quotes for the construction of the spaces. The designs will adhere to playground safety regulations.

Where possible, we hope to utilise the skills of parents in the construction and supply of resources. If you think you have something to offer in terms of skills or items with play potential such as logs, netting etc please contact robynmmbishop@hotmail.com.

ARE YOU SITTING COMFORTABLY?
An invitation to the P&C “Story Telling Evening with Glenn Swift” will be sent home with your child soon.

This free event is to celebrate the year and to thank everyone in the school community for all their support for P&C fundraising.

The event will take place on Friday 21 October from 5.00pm – 8.00pm in the undercover area. Wear your PJ’s and bring a rug, cushion or beanbags. You are welcome to bring your own picnic dinner or order a Tayla’s Pizza – an order form will be included with your invitation.

In case you were wondering, the beautiful poster advertising the event was designed by school parent Kristy S.

Would you like to take charge of putting the P&C Newsletter together? It is an interesting role that is not too arduous, so long as you enjoy writing. People do contribute news items and it is an important way of getting information out to the school community. Please email hazel_6056@yahoo.com.au if you are interested.

P&C MEETING
The next P&C meeting will be on Monday 24 October. If you have never been to a P&C meeting please come along. New people are always welcome.
