Dear Parents, Caregivers and Community Members,

As usual there has been a lot happening at our school. Ms Webster has taken Long Service Leave and will be holidaying in Amsterdam, Iceland and Canada. We hope Ms Webster has a great holiday and we look forward to hearing about her adventures when she arrives back at the beginning of Term 3. During her leave I will be Acting Principal with Ms Kickett Acting in the Deputy role. I would like to welcome Mr Rob Priest to the Guildford Primary School community. Mr Priest completed one of his professional practises here and will be teaching in Room 3 for the remainder of this term.

Students in Years 3 and 5 completed their NAPLAN testing. The school will receive the results of this testing in September with a report to be provided to parents during Term 4.

Singer and songwriter Barry Peters held song writing workshops with some classes last week and held concerts at the school today. (Photos on next page).

Illness
It is becoming that time of year again when people are starting to catch colds, flus and feeling miserable. It is important that children are informed of the need to cover their mouths to help stop the spread of germs. It is also important that your child/ren are taught to practice healthy habits such as blowing their nose each morning to clear their ears, wash their hands regularly to stop the spread of germs, etc. If children are healthy, their immune system is stronger and better able to fight infection. Children (and adults as well) can enhance the body’s natural resistance mechanisms by eating well, remaining physically active despite the cold weather, getting enough sleep and drinking lots of water.

Friday 3 June
Just a reminder to all families that Friday 3 June will be a school development day for all staff. Please do not send your child along on this day as there will be no teaching staff on site. Staff will be attending Professional Development at Woodbridge Primary School. Monday 6 June 2016 is a Public Holiday to recognise WA day. Students will therefore have a four day break.

Assembly
Our next Community Assembly will be held on Thursday 2 June. Room 10 will be hosting the assembly and performing their item for the audience. Room 10 invites all parents, friends and relations to attend and stay for a tea or coffee after the assembly.

Enrolments for 2017
If your child is starting Kindergarten or Pre Primary in 2017, please make sure you get your ‘Application for Enrolment’ in by Friday 22 July 2016. As we are starting to plan for 2017 please enrol for a position at our school by the end of this term. For more information on enrolling please go to: det.wa.edu.au/schoolinginwa.

PEAC for 2016
Traditionally the Year 4 students are tested at this time of year to identify those students to be included in the PEAC program in Year 5 and 6. The Department have postponed these tests and are investigating other testing instruments that may be more suitable. More information about the changes to PEAC and the testing schedule will be communicated once it becomes available.

Dress Code Policy
Winter tends to be the time when different colours, especially in jumpers appear. Parents are reminded that the school uniform is royal blue jumpers or windcheaters. The same colour applies to pants. Jeans are not acceptable. Guildford Primary School has a Dress Code Policy which all students attending our school are expected to wear.

Can you also please ensure that spare uniforms are packed if your child is participating in the optional Cross Country training that takes place throughout the week. There have been some students recently who have gone to change into their school uniform and have not found it in their bag.

Please ensure all articles of clothing have the child's name on them so that they can be returned if it is lost.

Have a terrific fortnight.

Acting Principal
