SCHOOL DRESS CODE
SCHOOL DRESS CODE
Policy
The School Council of Guildford School has established a dress code for all students attending the school.

The School Council believes a school dress code:
- fosters and enhances the public image of the school;
- assists in building school and team spirit;
- ensures students are safely dressed for specific school activities;
- encourages equity among students and
- prepares students for work, as many work places have dress and safety codes.

Advice To Students On Dress Code
Availability of Dress Code Items
- Items within the designated school colours may be purchased from the school uniform coordinator or any clothing or department store.
- Second-hand school clothes will be available at the school.
- Faction T-shirts and tracksuits may be ordered through the school.
- Students who have financial difficulties regarding the purchase of a uniform should contact the Deputy Principal to discuss the situation.
- Year seven school leavers clothing as organised through the school is acceptable as part of the school uniform except for off site excursions where the designated school colours must be worn.
- It is compulsory for Health and Safety reasons that children wear long hair tied back while at school.

Modification to Dress Code
Students who for religious or health reasons may need to modify the school dress code are required to make an appointment with the principal or deputy. Staff will be informed of any student granted a modification to the dress code.

Sanctions for non-compliance
Students not following dress code will receive:
- counselling from the Principal/Deputy Principal on the benefits of a dress code;
- assistance/support to obtain suitable clothing if necessary.
- non compliance with a dress code where exemptions have not been sought may result in a student being prevented from attending any activity in respect of which the student is representing the school, in school or out of school hours, and may include representative teams.
of participants or spectators in areas of sport, drama, music, excursions and school social functions.

- acceptance of enrolment at a school assumes an agreement between the school, parent/guardian and the enrolling student, and that the student will dress within the guidelines of the school dress code.

Please ensure that all removable clothing (jumpers, windcheaters, jackets, raincoats etc) is clearly and permanently named.

**Hats and S.P.F. Sunscreen** should be worn while participating in outdoor Physical Education. The school does enforce a no hat, no sun policy in Term 1 & Term 4. Hats are optional in Term 2 and Term 3.
Dear ,

(Insert child’s name) has been spoken to several times about the benefits of the school dress code ie:

- fosters and enhances the public image of the school;
- assists in building school and team spirit;
- ensures students are safely dressed for specific school activities;
- encourages equity among students and
- prepares students for dress codes in secondary school.

Acceptance of enrolment at Guildford Primary School assumes an agreement between the school, parents and the enrolling student, and that the student will dress within the guidelines of the school dress code.

It would be appreciated if you would discuss the school dress code with your child and be aware of the likely consequence of non-compliance. If you have any questions regarding the school dress code please contact us at your earliest opportunity.
